## \$229,000

2 Bedroom, 1.00 Bathroom, 1,162 sqft  
Residential on 1 Acres

N/A, Woodstock, NY

Enchanting vintage cottage tucked into a forest of Japanese Maples. This adorable 2 bedroom abode would make a super weekend getaway home. The property is situated in a forest of tall trees and surrounded by the best specimens of Japanese Maples Iâ€™ve ever seen. A lovely covered porch adorns the front of the house with an open deck on the side and a screened in porch out back. There is a simply precious bathroom with cast iron tub and antique wallpaper. The kitchen is unchanged over time and most buyers may want to renovate. This house awaits their loving touch. There is a recently renovated red barn that has two levels. It was fully re-assembled with a new roof in 2017. A separate red storage shed is ready for your bikes and skis and garden equipment. Situated up above Route 212 near the Shady Church, the road is audible but visibly concealed by trees and shrubs. Located in Shady just minutes away from the heart of Woodstock. The Trailways bus passes by and its an easy bike ride into town, for those car-free individuals.

Built in 1915
